

SOVEREIGN BUSINESS JETS

The **Hawker 800B**, as a true mid-size private jet, combines spacious comfort and excellent range.

G-GMMR brings destinations such as Istanbul (3hrs 40) and Tenerife (4hrs 15) within easy reach of London.

The cabin, accommodating 5 passengers, is beautifully appointed in light leather creating an airy, relaxed environment in which to enjoy your flight. Sovereign Business Jets offers a cabin attendant service on every flight, tailoring your experience to meet your own individual preferences.

The aircraft has two internal baggage holds which are suited to soft bags.

At the rear of the cabin there is a fully enclosed toilet compartment.
